EXPO-PARADE

On Friday 19/02/2016 an exhibition of all rally carries has been organised at the initiative of the associations of shopkeepers in the main road, which will be closed especially for this event. Several activities will be offered, and this will be the sole occasion for the public to see all the cars at the same time. The Belgian public broadcaster, the RTBF, will be present at the event in order to give a last boost of motivation to spectators to join us this weekend.

As a way to encourage you to also be present, the speed averages of the stages will be given as a preview to the cars taking part in the event.

The presence of the team is not compulsory, but we would strongly wish that every possible effort will be made on your behalf to exhibit your car at this event. This a wonderful opportunity to show the latter to the greatest number possible, but also for many of you to show the fruit of your long labour.

The practical details are the following : access from 18.30 by the roundabout at the beginning of the main street (police presence), exhibition from 19.00 to 21.00, and stewards will guide you to your location, starting by the backwards of the marquee at Mc Auliffe square (see map below).

Warning ! The cars will be parked at an angle on the roadway (not in the usual parking spaces) and must without fail leave for 21.30.

The car exit will be through the crossroad of the Mc Auliffe square.

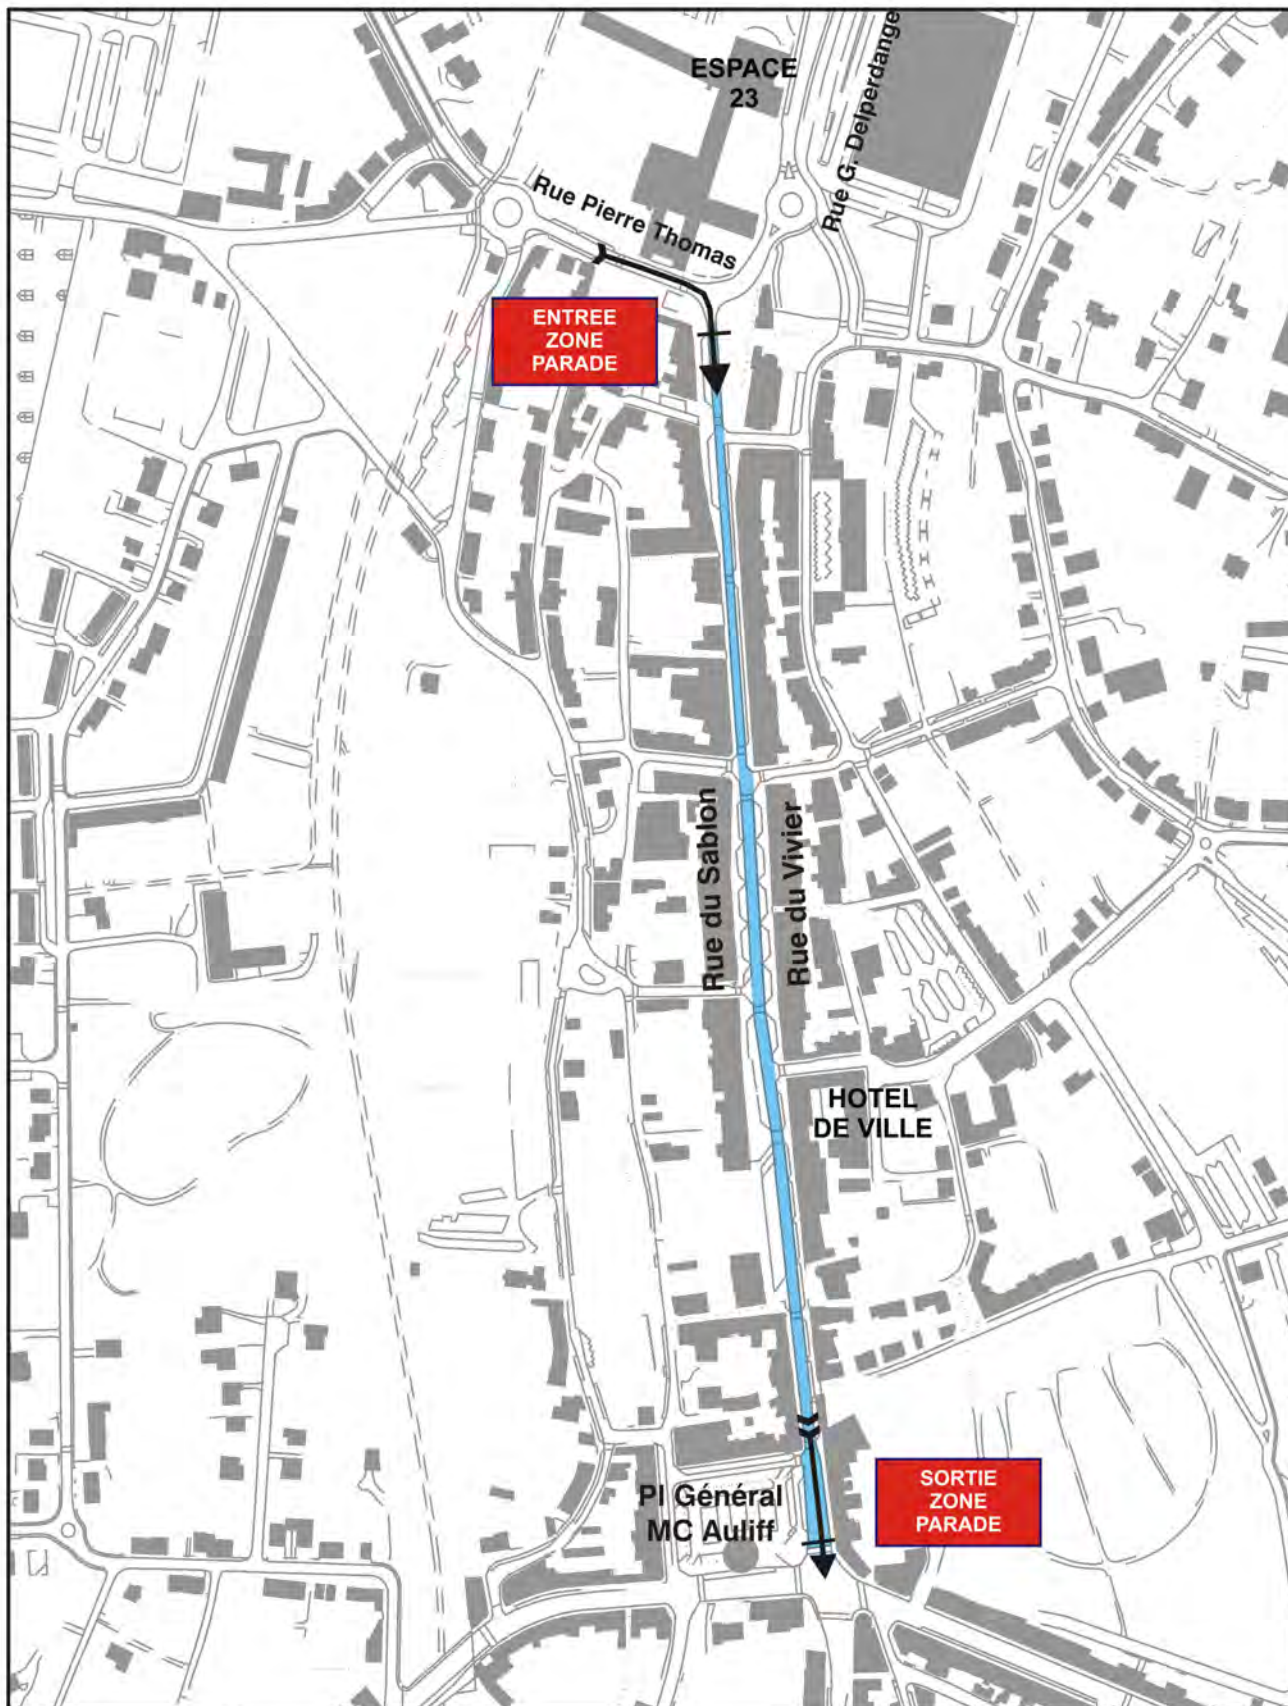

Thank you very much in advance for your collaboration.
