## Rapport de la Commission Technique :

### Concerne :

#62 TCS Motorsport Ginetta G50

### Résumé des faits :

lors du contrôle initial de la #62 il a été constaté la non conformité du siège (date de validité) :

lors d'un passage d'un commissaire il a été constaté le remplacement d'un nouveau siège donc voiture ok.

À 16h11 lors du passage d'un commissaire dans le stand nous avons constaté que l'ancien siège a été remis dans la voiture #62 et dernier a pris part au Free practice 2 et qualifié.

After the initial scrutineering check of car 62, the date (validity) of conformity wasn't right. The seat was replaced and the car was declared in conformity.

At 16h11, a scrutineer passing through the pitlane saw that the old seat was back in position in car 62

The car took part in Free practice 2 and Qualifying
