

SPA EURO RACE 2019

Steward's Bulletin n°6

ACNN

Grid for Race 1: The grid for Race 1 will be formed, based on the best laptimes of the qualification session, where the grid will be split in two starting groups. The first starting group will be formed by the PCR class drivers, with the order based on the best laptime. The second starting group will be formed by the ACNN divisions, with the order based on the best laptime. There will be no difference between the various ACNN sub-divisions.

Grid for Race 2: The grid for Race 2 will be formed, based on the result of Race 1. The first starting group will be formed by the PCR class drivers, with the order based on the result of Race 1. The second starting group will be formed by the ACNN divisions, with the order based on the result of Race 1. There will be no difference between the various ACNN sub-divisions.
