I DECLARE THAT:

I wish to register for the 2019 Radical Challenge Championship and I declare that the information given above is correct. I understand that should the above information change in any way I will confirm details in writing to The Championship Coordinator as detailed below.

I have read and understood the 2019 Radical Challenge Championship Regulations and agree to abide by the same.

1. I have been given the opportunity to read the General Regulations of Motorsport UK and, if any, the Supplementary Regs for this event and agree to be bound by them. I declare that I am physically and mentally fit to take part in the event and I am competent to do so.

2. I acknowledge that I understand the nature and type of the competition and the potential risk inherent in motorsport and agree to accept that risk. Further I understand that all persons

having any connection with the promotion and/or organisation and/or conduct of the event are insured against loss or injury caused through their negligence.

3. To the best of my belief the driver(s) possess(es) the standard of competence necessary for an event of the type to which this entry relates and that the vehicle entered is suitable and roadworthy for the event having regard to the course and the speeds which will be reached.

4. I understand that should I at the time of this event be suffering from any disability whether permanent or temporary which is likely to affect prejudicially my normal control of my vehicle, I

may not take part unless I have declared such disability to the ASN which has, following such declaration issued a licence which permits me to do so.

5. Any application form for a licence which was signed by a person under the age of 18 years was countersigned by that person's parent/guardian/guarantor, whose full names and addresses have been given.
